I love travelling because for me, visiting new places is very fun. My favourite places to travel to are the beach, the mountains, and a river that’s near my house. The beach is fun because it’s hotter and sunnier on the beach than it is at home. In the mountains it’s colder than it is at home, but it’s also fun to travel there because in the mountains you can go camping. Finally, the river near my house is fun because it’s closer to home than the mountains or the beach. You can visit the river for the weekend or for an afternoon!
